**"CHASING ANGELS":** A theme show that proves America's obsession with angels extends into the art-world. And it's not just wings. Look for work by Hope Sandrow, Hyun Mi Yoo, Barbara Ess, Adam Cvijanovic, Michèle Blondel, and Sean Mellyn's *Self Portrait as an Angel With Mouse Ears Showing Off a New Angel Dress*. Through 1/21. Cristinerose, 395 W Bway, 431-1862.
